

ART AND CRAFT CENTRE

The school has an art room to stimulate and nurture student's creativity. These rooms are fully furnished and well maintained with necessary equipment such as drawing boards, assorted colors, brushes, sawdust, pallets, curtains, lamps, artificial objects for still life, threads, needles, wool, frames and different types of materials to experience work programs, specifically arts and crafts, interior design, and chalkboard writing and drawing. The school also provides this document to students Practice and prepare for inter-school competitions and youth festivals.
